Save The Earth...  
Save The Earth...  
If someone doesn't care,  
There's nothing left to share  
Upon the Earth!

Take a look.  
Read the signs...  
Are pointing to destruction  
If we don't do something now!

Blue oceans and streams,  
Are they only in our dreams,  
Or can we still save them  
From pollution of the modern day man?

Save The Earth...  
Save The Earth...  
Yes, we can do it now.  
Let's show each other how to  
Save The Earth!

Fish in the sea  
Will be gone! Someone please!  
Won't you listen to the heartbeat  
And the voice of all creation?

# 'Save The Earth'

- continued -

**The elephant herds!  
Monkeys, tigers, just words?  
Life we once knew --  
If we don't do something now!**

**Save The Earth!  
Save The Earth!  
If someone doesn't care,  
There's nothing left to share  
Upon the Earth!**

**Can you see any birds  
Flying free?  
Or are they disappearing  
Like so many other things?**

**Like wildflowers and bees?  
Like the Rain Forest trees?  
Or do we need more buildings  
Reaching into the acid rain clouds?**

**Save The Earth!  
Save The Earth!  
There is no time to wait,  
Before it is too late,  
Let's Save The Earth!**

**Save, Save The Earth!**
