About the “Spell ‘Philadelphia’ ” Initiative...

[RyKy Records \(tm\)](#), the music label of [Voron Communications](#), is proud to call Philadelphia, Pennsylvania its home, and we are also proud to literally sing the praises of the city in the song, "[Philadelphia](#)", by Philly's own **Joseph F.M. Pokorny**.

The song, from Joe's "**Philadelphia, The Rock And Roll Musical**", was released on RyKy's new "[Songwriter Man](#)" CD Album.

Because of unique lyrics in the "[Philadelphia](#)" song that actually spell out the city's name, we are excited to launch RyKy Records' "**Spell 'Philadelphia'**" civic/educational initiative.

Now, thanks to Joe, it's EASY to learn how to spell "Philadelphia"!

...Just listen to the soundclip from the song "**Philadelphia**", and sing along! We even provide the lyrics so you can see how "Philadelphia" is spelled, too!

Two soundclip versions are offered:

- **Long Version** – a longer clip that includes mention of the word 'Philadelphia' and builds up momentum before the spelling exercise begins;
- and
- **Short Version** – a shorter clip that gets right into the spelling exercise.

We suggest you try both versions and see which one you prefer. Then, play the soundclip and sing along several times. Stop for a moment and try to spell "Philadelphia"... **P-H-I-L-A-D-E-L-P-H-I-A !!!**

Keep practicing, and see how quickly you can learn to spell this BIG, but easy, word!!!

Teachers: notice how your students pick up on the fun-sounding beat!

Enjoy [The Spider's Dream Web](#)

By **Neal R. Voron**

'**The Spider's Dream Web**' is a mythical short story for children and web lovers everywhere about the birth of the Internet's World Wide Web.

It is a tale about three very special new friends – a caring boy, a lovable spider, and a powerful computer – who show that magical things can happen when people with big dreams share their vision with others who may be willing and able to help.

[Enjoy the story, plus a FREE excerpt of introductory chapters to “The Obstacle Course”](#), a self-help/inspirational novel by **Neal R. Voron**!

'**The Obstacle Course**' is about an old but untraditional teacher, Dr. Ernest Acton, who takes his class on an adventure towards self-growth and personal development... Dr. Acton's unique off-beat style keeps the class – and the reader – guessing (and thinking) throughout the "course".
