*About the*  
**“We Stand United”**  
*CD Album from*  
**Joseph F.M. Pokorny and RyKy Records™...**

The “**We Stand United**” CD is a true tribute to, and reflection of, the American spirit – a collage of patriotism, family, and caring.

With the “**We Stand United**” title song, plus “**America, My Home**”, “**Fly Like An Eagle**”, “**Save The Earth**”, and other songs, it offers a truly unique journey and listening experience.

The other songs on the album include: “**Join Or Die**”, “**In Your Eyes**”, “**When**”, “**We Thought She’d Live Forever**”, “**Wind Dance Theme**”, “**Father**”, “**Learn**”, and “**Margarita**”.

Featuring vocals by **Joseph F.M. Pokorny**, **Bill Monaghan**, and **Christine Favorite**, accompanied by **Don McCarty**, the album is a compilation of original songs written and composed by Pokorny, representing diversified genre from rock and roll to popular, MOR, Broadway musical, Latin, religious, and patriotic melody.

The “**We Stand United**” CD (originally released as the “**AMERICA, My Home**” CD) was one of two debut albums on October 1, 2003 offered by **Joseph Francis Michael Pokorny** and **RyKy Records™**. It provides an insightful glimpse into the scope of musical talent and powerful lyrical expression offered by Pokorny, one of America’s most prolific, creative, and passionate musicians.

Released separately, but concurrently, with Pokorny’s “**Love Is**” album, “**We Stand United**” features 12 songs and introduces 11 titles from among seven of his musicals.

The title song, **“We Stand United”** [ [Listen](#) ], which is a featured song in Joe’s upcoming *“Philadelphia, The Rock and Roll Musical”*, was written by Joe in May 2003 during Operation Iraqi Freedom. It is a powerful song that speaks of our standing united to achieve peace in the world.

Joe wrote the song, **“America, My Home”** [ [Listen](#) ], as a personal tribute to the victims, survivors, and their families, of the Sept. 11th, 2001 tragedies in New York City; at the Pentagon in Washington, DC; and in Western Pennsylvania. The song’s lyrics say that Americans must work together and prepare for the future. The song speaks of America as a family, taking care of each other, and celebrating our freedom.

Continuing a patriotic theme is **“Join Or Die”** [ [Listen](#) ], a lively, yet profound, patriotic tune about the American Revolution from Joe’s upcoming *“Benjamin Franklin Musical”*.

**“When”** [ [Listen](#) ], from the *“Wind Dance Musical”*, questions, “When will man learn to want peace... and turn back to God?”

**“In Your Eyes”** [ [Listen](#) ], from *“Wind Dance Musical”*, is about recognizing love in the eyes of another.

**“We Thought She’d Live Forever”** [ [Listen](#) ], from the *“Wind Dance Musical”*, was written by Neal R. Voron and Joseph F.M. Pokorny. The song is a wistful reflection upon the loss of a beloved mother to mortality. Feeling the loss of a beloved mother.

The **“Wind Dance Theme”** [ [Listen](#) ] (Vocal), from the *“Wind Dance Musical”*, re-kindles the flame of love and heightens the promise of meeting again someday.

**“Father”** [ [Listen](#) ], from Joe’s upcoming *“Abraham Cantata”*, is a stirring tribute – a grieving son telling his late father how much he loved him.

**“Learn”** [ [Listen](#) ], from Joe’s upcoming *“The Obstacle Course Musical”*, emphasizes learning and the ability to reach success.

“WE STAND UNITED” CD Lyrics Songbook from RyKy Records (tm)  
<http://www.LyricSongbooks.com>

“*Margarita*” [ [Listen](#) ], from Joe’s upcoming musical, “Dance, Dance, Dancin’ ”, is a spicy Latin tune of love.

“*Fly Like An Eagle*” [ [Listen](#) ], from Joe’s upcoming “*Save The Earth Musical*”, is a majestic look at America's natural beauty.

“*Save The Earth*” [ [Listen](#) ], from Joe’s upcoming “*Save The Earth Musical*”, cautions, “If someone doesn't care, there's nothing left to share upon the Earth.”

Guitarist **Don McCarty** lends his musical talent in the album. Keyboard accompaniment for the song “Father” was by **Dave Anastasi**.

For songs from the “*Wind Dance Musical*”, **Bill Monaghan** contributes with the guitar, tin flute, and recorder. He also provided recording, engineering, and additional music arrangements for those songs at his Yip Studios in Ivyland, PA.

CD graphic design was provided by **Morgan Mary McKenty**, **Joseph F.M. Pokorny**, and **Neal R. Voron**.

*We Stand United. We stand as one.  
We Stand together. Peace has begun.  
We live in freedom. We share our love.  
Freely give the gift of giving. In return there's  
blessings from above.*

*Let's start each new day with just one prayer.  
It's time to act now, no time to spare.  
In the eyes of all our children,  
You can see the future clear.  
So, teach them well and tell them  
To stand united without fear.*

*The world is watching. Let's lead the way.  
Yes, do the right thing. Mean what you say.  
Speak truth and keep peace, within your heart.  
Young or old, it doesn't matter. Every person  
plays a special part.*

*Reach out and give love. Give all you can.  
Be someone's hero, part of the plan.  
Heart to heart, you'll make a difference,  
All across this bountious land,  
And you can stand real proud,  
As a true American.  
And you can stand real proud,  
As a true American.*

Hope, standing tall.  
God Bless America, my Home,

*When will the world ever learn  
To want peace?  
When will the world ever learn?*

*When will we shake hands  
And not kill with guns?  
When will we learn not to kill?*

*When will we see  
With eyes that are not blinded  
By our own wants and our fears?  
Can we wash them all away  
By our tears?*

*continued*

## **"When"**

*continued*

*When will our children  
Be safe once again?  
Anger and pain be no more!*

*When will we care  
For the riches of the earth?  
Feed all the hungry and poor?*

*When did we lose  
Our pride and dignity for others?  
Stop! Take a look!  
Did you ever read the book,  
The Golden Rule?*

*When will the world ever turn back to God?  
He is our strength and our hope!  
When will you change?  
Will you wait till it's too late?  
'Now' is the answer to 'When'!  
'Now' is the answer to 'When'!*

*We thought we were so clever,  
We Thought She'd Live Forever.  
We knew that she would be there all the time.  
We knew she would if she could.  
Sometimes we felt she really should.  
We Thought She'd Live Forever, forever.*

*The tales of time, the trails of time.  
We never watched the hands of time.  
We believed she mastered the old clock.  
She seemed so grand and in command,  
A flower in a fertile land,  
But, suddenly, she left us quite in shock.*

*We thought we were so clever,  
We Thought She'd Live Forever.  
We knew that she would be there all the time.  
We knew she would if she could.  
Sometimes we felt she really should.  
We Thought She'd Live Forever, forever.*

## ***"We Thought She'd Live Forever"***

*continued*

*A better woman no man could find,  
A loving mother no child would leave behind,  
Time had cast her much too short a line.  
All that's left are memories,  
Faded pictures, but still we see,  
The love she gave to everyone she knew.*

*We thought we were so clever,  
We Thought She'd Live Forever.  
We knew that she would be there all the time.  
We knew she would if she could.  
Sometimes we felt she really should.  
We Thought She'd Live Forever, forever,  
Forever, forever.  
Forever, forever.*

*When the Wind Dances on the Meadow,  
I can see your hair dance with the wind.  
I can hear your voice. I feel your touch.  
My eyes are filled with tears again.*

*Can you hear the words I whisper softly?  
Love is strong, our love will never end.  
We will meet some day, I'll find a way.  
So, take my heart and take my hand, in the Wind.*

*"Father", you taught me how to live.  
You taught me everything I know.  
You taught me how to give.*

*"Father", you gave me all your love.  
I never asked for anything more.  
You sacrificed for me, now I see.*

*How can I re-pay you? Or thank you?  
I'll never be the man you were.*

*"Father", did I ever say 'I love you'?  
Were all my thoughts unspoken?  
My feelings held inside, now you've died.*

*"Father", I know my words seem empty,  
But love will grow like flowers  
And blossom in the Spring,  
When our hearts will sing.*

*"Father", you taught me how to pray.  
I pray that God will guide me  
As you did everyday.  
"Father".*

Opportunity's at hand?  
All the birds and bees, flowers and trees,

*Save The Earth...  
Save The Earth...  
If someone doesn't care,  
There's nothing left to share  
Upon the Earth!*

*Take a look.  
Read the signs...  
Are pointing to destruction

Will be gone! Someone please!  
Won't you listen to the heartbeat  
And the voice of all creation?*

*The elephant herds!  
Monkeys, tigers, just words?  
Life we once knew --  
If we don't do something now!*

If someone doesn't care,  
There's nothing left to share  
Upon the Earth!*

Flying free?  
Or are they disappearing  
Like so many other things?*

*Like wildflowers and bees?  
Like the Rain Forest trees?  
Or do we need more buildings  
Reaching into the acid rain clouds?*

*Save The Earth!  
Save The Earth!  
There is no time to wait,  
Before it is too late,  
Let's Save The Earth!*
